# 1. Aims

Schools are required under the Equality Act 2010 to have an accessibility plan. The purpose of the plan is to:

- Increase the extent to which pupils with disabilities can participate in the curriculum
- Improve the physical environment of the school to enable pupils with disabilities to take better advantage of education, benefits, facilities and services provided
- Improve the availability of accessible information to pupils with disabilities

RPT schools aim to treat all its pupils fairly and with respect. This involves providing access and opportunities for all pupils without discrimination of any kind.

At the Rise Partnership, equality is “everything we do, not another thing to do”. We include everyone and aim for all to feel included in all we do; pupils, parents, staff and community. This plan should be read in conjunction with our Equality, Diversity and Inclusion Strategy and our People Strategy.

Our EDI (Equality, Diversity and Inclusion) objectives are:

People	Implement our People Strategy and drive our ambition to be recognized as a great employer. <ul style="list-style-type: none"><li>• Our people Strategy will guide our work and enable us to:</li><li>• Include our staff</li><li>• Attract and retain the best people</li><li>• Develop and support staff to be the best they can be</li><li>• Retain and reward staff</li></ul>
Culture	Build a culture which creates the conditions for success for all and which reflects what we value. As we build our ambitions for the future, we will do so in a way which enables every member of our community to contribute and feel a sense of belonging within the trust.
Success for All	To achieve success for all through the implementation of RPT’s Strategic Plan. Our vision is for every pupil to be successful, fully included and for each of our schools to be an excellent school with great outcomes for all.

Our trust is also committed to ensuring staff are trained in equality issues with reference to the Equality Act 2010, including understanding disability issues.

RPT supports any available partnerships to develop and implement the plan.

RPT’s complaints procedure covers the accessibility plan. If you have any concerns relating to accessibility in school, the complaints procedure sets out the process for raising these concerns. This plan will be made available online on our schools and Trust websites, and paper copies are available upon request.

## 2. Legislation and guidance

This document meets the requirements of [schedule 10 of the Equality Act 2010](#) and the Department for Education (DfE) [guidance for schools on the Equality Act 2010](#).

The Equality Act 2010 defines an individual as disabled if they have a physical or mental impairment that has a ‘substantial’ and ‘long-term’ adverse effect on their ability to undertake normal day to day activities.

Under the [Special Educational Needs and Disability \(SEND\) Code of Practice](#), ‘long-term’ is defined as ‘a year or more’ and ‘substantial’ is defined as ‘more than minor or trivial’. The definition includes sensory impairments, such as those affecting sight or hearing, and long-term health conditions such as asthma, diabetes, epilepsy and cancer.

Schools are required to make ‘reasonable adjustments’ for pupils with disabilities under the Equality Act 2010, to alleviate any substantial disadvantage that a pupil with disabilities faces in comparison with a pupil without disabilities. This can include, for example, the provision of an auxiliary aid or adjustments to premises.

This policy complies with our articles of association.
