Based upon: BSAT Articles of Association, 2018 Academies Financial Handbook.

### **Members**

### **If a member resigns**

- The Governance Professional to the Board of Trustees asks the individual to confirm in writing (which can be an email) to the Governance Professional their resignation and the date that it will be effective from; and the next Board meeting formally minutes that the Member has left / is leaving and records the date that their position as Member ends/ended as follows: "It was noted that [Name of individual] will cease to be a Member on [insert date]."
- The Governance Professional updates the Register of Members and updates the DfE Get Information About Schools (GIAS) website.

### **When a new Member is appointed**

- Members in accordance with the Articles of Association must make the appointment.
- The new Member must consent in writing to being a Member of the Trust, which will be retained by the Governance Professional.

## **Trustees**

- If the person is resigning as a Trustee: The Governance Professional to the Board of Trustees asks the individual to confirm in writing (which can be an email) to the Governance Professional their resignation and the date that it will be effective from; and the next Board meeting formally minutes that the Trustee has left / is leaving the Board of Trustees and records the date that their position as Trustee ends/ended as follows: "It was noted that [Name of individual] will cease to be a Trustee on [insert date]."
- If the person has reached the end of their term, or their employment at the academy trust ends (Chief Executive): No 'email of resignation' is required, but the Board of Trustees still needs to formally minute that the Trustee has left due to their term or employment ending.

- In either of the above two scenarios the following happens:
  - a. The Chief Executive completes the Companies House 'TM01' form and submits it to Companies House (keeping a copy at the trust) – this must be within 14 days of the resignation (if the Trust registers for online filing this can be completed online)

### **Filling vacancies within the Board of Trustees**

- It is recommended that the Members of the Academy Trust (as set out in Article 12 of the Articles of Association) should use the following principles when filling any of their vacancies on the Board of Trustees, and the same principles should be used by the Board of Trustees itself in considering any potential co-opted Trustees:

  - b. To consider what skills or experience would add most value to the Board of Trustees given its current context / performance and its strategic priorities; and
  - c. Seek to appoint an individual with the appropriate skills or experience to fill any identified skills or experience gap within the Board of Trustees.
- Where there is a vacancy for a Member appointed Trustee, the Board of Trustees will lead the recruitment process and recommend a shortlist of suitable candidate(s) to the Members who will then appoint the individual that they consider most suitable.
- The proposed Trustee will confirm that they are eligible for appointment in accordance with the Articles of Association and that they will sign a Deed of Adherence to the Trustees' Agreement.

### **When a new Trustee is appointed**

- The minute at the Board meeting confirming their appointment as a Trustee should read as follows: "[Name of individual] was confirmed / appointed [depending on the category of Trustee and therefore how they were appointed] as a Trustee with effect from [insert date]. Their term of office will end on [insert date OR when their employment ends]. [Name of individual] will be appointed as a Director of the Academy Trust and registered accordingly with Companies House."
- The Trustee completes and signs the Companies House 'AP01' form (using the Manor School address as the service address) which is also signed by another Director (such as Chief Executive or Chair of Trustees) and this is submitted to Companies House (keeping a copy at the trust). This must be submitted within 14 days of the appointment. If the Trust registers for online filing this can be completed online.

- The Trustee and Chair / Chief Executive sign a Deed of Adherence for the Trustees' Agreement.
- The new Trustee must complete the Register of Interests declaration.

### **Parents**

The following process shall appoint parent LAB Governors:

- Seeking nominations from all parents of registered pupils at the school; (Note: vacancies can be held vacant until the following term where the LAB considers this appropriate, such as to enable parents of an incoming year group to be eligible)

- If there are fewer nominations than vacancies or the same number of nominations as vacancies, then the nominees are appointed by the LAB.
- If there remain vacancies then the previous two bullet points are repeated (vacancies can be held until the following term where the LAB considers this appropriate, such as to enable parents of an incoming year group to be eligible);
- If there are more nominations than vacancies an election will be held where the parents / carers of each child attending the school on the date that the election starts are entitled to vote (one vote per parent) for the nominees. The LAB will appoint the nominee with the largest number of votes; if there was more than one vacancy this process shall be repeated until all vacancies are filled (i.e. if two vacancies, the two nominees with the most votes shall be appointed).
- If there remain vacancies after two rounds of seeking nominations, the LAB may approach suitable individuals and recommend their appointment to the Board in accordance with Articles 54A and 56.

## **Staff**

The following process shall appoint staff LAB Governors:

- Seeking nominations from staff based at the school;
- If there are fewer nominations than vacancies or the same number of nominations as vacancies, the nominees are appointed by the LAB.
- If there remain vacancies then the previous two bullet points are repeated;
- If there are more nominations than vacancies, an election will be held whereby every member of staff based at the school on the date that the election starts are entitled to vote (one vote per member of staff) for the nominees. The LAB will appoint the nominee with the largest number of votes; if there was more than one vacancy this process shall be repeated until all vacancies are filled (i.e. if two vacancies, the two nominees with the most votes shall be appointed).
- If there remains a vacancy after two rounds of seeking nominations, the LAB may approach and, with their consent, appoint eligible individuals.
- LAB Staff Governor roles are open to all (support and teaching staff).
- In seeking LAB Parent Governors, where desirable, BSAT will provide a desired skill set so that parents are aware of the particular skills that the LAB is seeking.
