

We want our pupils to RISE

Resilient Independent Skilled Expressive

Art & Design

At Manor School, we value art and design as an important part of the children's entitlement to a broad and balanced curriculum.

It provides the opportunity to develop children's curiosity and creativity through exploration of culture and the world around by expressively recording ideas, interests and experiences. They will develop knowledge of techniques and mediums, whilst looking at a diversity of famous artists, designers and cultures. Their work will be shared and celebrated with others through displays.

Our goal is to develop a skill and interest that could become a hobby for life or support pupils in future careers.
